

Community IPM Working Group: Priorities 2005

The Community IPM Working Group (IWG) met in June 2005 and agreed that the most important focus within all the areas covered by the Community IWG is **IPM in residential settings**. The following are this year's priorities:

1. Develop a PSMP for residential IPM particularly for suburban outdoor IPM and indoor urban IPM.
2. Outreach: Develop and create an outreach campaign for residential IPM (radio, TV, and other creative forums). Develop material and distribute to end-users. Measure success of project.
3. Research: General research on residential IPM
